

Please join us for a Plant Swap!

Date: Saturday, June 3, 2023 @ 11:00 AM (SHARP)

Where: Perry Recreation Park Pavilion
730 Onyx Cave Rd, Hamburg, PA 19526
(Take 662 South, Left on Seiger Lane, Follow the Rec Park Signs)

Hosted By: Nancy James Phone: 610-562-2850

Must Know Information:

- ❖ No house plants please. *Perennials only!*
- ❖ All plants are divided in small clumps the size of your fist or there about.
- ❖ The plants are bare rooted (**no pots or ground please**), then wrapped in wet newspaper and put in plastic grocery bags.

Please Mark on the Bag:

- ❖ The name of the plant (if known)
- ❖ Sun or shade. (Where you had them planted)
- ❖ A magic marker works great!

Tips:

- ❖ Use clear plastic knives, write the name on, and stick it next to the plant.

The bags will be lined up with the similar plants together.

You will have time to walk through to see what is available before I start, so come early!

This is a plant "Swap". You bring one, you take one type of event, so everyone gets to pick something.

If you are a "newbie", at the "end of the swap" what is left over, is yours to take.

Looking forward to seeing everyone there!

Nancy
